We are providing health care fairs where children can receive free immunizations and adults can receive free medical screening in many areas: blood pressure, glucose, cholesterol, HIV, etc. We will provide referrals to free medical help, if needed. For further information please contact me at [kmulvaney@catholiccharities.net](mailto:kmulvaney@catholiccharities.net)

Note to principals: Please promote this in your school and parish community as the volunteer doctors would like at least 200 people at each site.
